RECEIVED
U.S. PATENT & TRADEMARK OFFICE
APR 24 1998RESPONSE

In response to the Office Action dated April 7, 1998,
 Applicant herewith makes the following election and restriction
 responses WITH TRAVERSE.

The Examiner has made a requirement for restriction "to one
 of the following inventions." The Examiner has identified
 Invention I as "Claims 1-9 drawn to Skate Chassis Product by
 Process"; and Invention II as "Claims 10-12 drawn to Process of
 Manufacturing Skate Chassis." This requirement for restriction
 is respectfully traversed.

First of all, claims 1-9 are not directed to a process.
 Claims 1-9 are clearly drawn to a "one piece skate chassis"
 apparatus. Consequently, the Examiner's characterization of
 claims 1-9 as directed to a process is inappropriate.

I hereby certify that this correspondence is being
 deposited with the United States Postal Service at
 first class mail in an envelope addressed to:
 Commissioner of Patents and Trademarks, Wash-
 ington, D.C. 20231, on April 21, 1998
